

LEVANA™ MEAL REPLACEMENT

Fact Sheet

WHAT IS LEVANA™ MEAL REPLACEMENT?

Levana™ Meal Replacement is a certified all-natural, complete, balanced meal in a pouch. Each of Levana's five flavors include high quality plant-based ingredients that are finely ground into powders and can be added to liquid for a full meal or to your favorite recipes for enhanced nutrition. It's high in vitamins, minerals and good fats found in common, pure, simple ingredients like seeds, vegetables and plants.

HOW IS LEVANA™ MEAL REPLACEMENT DIFFERENT FROM OTHER MEAL REPLACEMENTS?

Levana™ Meal Replacement was developed in a kitchen, not in a lab, while Levana was caring for her husband during cancer treatment. It is a healthy, tasty, chemical- and sugar-free choice for a complete, balanced meal. Levana™ Meal Replacement is easily customizable, especially for people with dietary restrictions. All five flavors are vegan, Kosher, certified all-natural, nut-free, soy-free, dairy-free, non-GMO and high in fiber to promote regularity, a common issue among people being treated for a serious illness or pain.

WHAT FLAVORS DOES LEVANA™ MEAL REPLACEMENT COME IN?

Levana™ Meal Replacement comes in five flavors, offering a variety of cold and hot options. The cold flavors – Vanilla Bean, Mixed Berry and Cocoa-Coffee – can be blended with ice, water, juice, milk or milk alternative. The hot flavors – Garden Vegetable and Mushroom Medley – make a hearty soup when boiled with water.

WHERE IS LEVANA™ MEAL REPLACEMENT SOLD?

Levana™ Meal Replacement can be purchased online at www.LevanaMealReplacement.com.

WHO CAN BENEFIT THE MOST FROM LEVANA™ MEAL REPLACEMENT?

Levana™ Meal Replacement was developed specifically to nourish people who are having trouble eating, but the advantages of all-natural meal-replacement goes well beyond. Levana™ Meal Replacement is a terrific solution for:

- People living with diabetes or battling cancer
- Post-surgical patients
- People who have undergone bariatric surgery and cannot eat full meals
- Elderly with limited appetites
- People with food allergies
- Children who are picky eaters
- Anyone who cannot have solid foods
- People on the go

WHAT ARE THE BEST WAYS TO ENJOY LEVANA™ MEAL REPLACEMENT?

Levana™ Meal Replacement was formulated to be a complete, balanced meal when combined with just milk, a milk alternative, juice or water. The flavors can also be mixed with other foods and recipes for added flavor and complete nutrition. For example, the sweet flavors can be sprinkled on cereal, baked into muffins and breads and the savory flavors can be used as a seasoning in your favorite dishes.
